

**Are you a Recruiter struggling to track hundreds of resumes to your mail box?
You end up searching hundreds of resumes in your Mailbox Everyday**

Wasting lots of time and Money

With **“SUVIDHA RESUME MANAGEMENT SOFTWARE”**

your life is going to be easy As a Recruiter.

WE HAVE A SOLUTION FOR YOUR PROBLEM.....

ALSO WE PROMISE YOU SPAM FREE DAYS AHEAD.....

How it works?

As a recruiter, you must be receiving hundreds of resumes everyday via email. You take hours together to sort out the resume and get the right candidate for the job. This has been your routine for the past several years. Sometimes you are fed-up with heavy influx of spam mails, and you are unable to find out the resume even if it is there in your mail box.

We have a wonderful solution for you to end this Head-ache, save a lot of time and money. **This is an online web application software which is simple and easy to use.**

With “**SUVIDHA RESUME MANAGEMENT SOFTWARE**” you no longer receive spam mails, also track each and every resume thus saving lot of time and money. This software will **MAKE ALL INCOMING RESUMES VISIBLE**, so that you can take fast decision. If you are interested for a Demo, Email: sales@suvidhajobs.com
